

INVITATION

We are excited to announce the **9th Edition of the International Conference on Interdisciplinary Research and Education (ICIREd)**, organized by “Aurel Vlaicu” University of Arad, to be held from **May 7 to May 9, 2026**, in the vibrant city of Arad, Romania. This prestigious event, which brings together thought leaders and innovators from all over the world, continues to uphold high standards across a wide range of fields.

We are honored to host researchers, innovators, and experts from both academic and private sectors who are at the forefront of shaping the future across a range of fields, including engineering and the exact sciences (mathematics, computer science, and chemistry), biomedical sciences, sports sciences, social sciences (public administration, business, sociology, psychology, journalism, and communication studies), the humanities (including philology, philosophy, intellectual history, and religious studies), and design. ICIREd-2026 is a conference dedicated to exploring the latest advancements in academic and private-sector research, innovation, and the technological transfer of scientific discoveries. This event aims to foster collaboration and knowledge sharing among researchers, industry professionals, and thought leaders, highlighting the critical role that research and innovation play in driving progress and enhancing societal impact.

We believe that this conference will provide a stimulating, productive, and enriching experience for all participants. Together, let us embark on this exciting journey of discovery and collaboration.

On behalf of the organizing committee,

Teodor-Florin CILAN

Rector of “Aurel Vlaicu” University of Arad
